**Re : Your letter of January 19, 2007 "Project d'implantation du terminal méthanier Rabaska et des infrastructures connexes"**

Madam,

As discussed with Mme. Marie-Eve Fortin of the Bureau d'audiences publiques sur l'environnement by phone on January 16, 2007, I regret that our laboratory does not have the necessary information or experience to be able to reply to question C60.

We do, of course, remain at your disposal to answer other questions regarding the Rabaska project where we do have the necessary expertise.

Yours, sincerely,

c.c. Livain Michaud
