Les enjeux de la filière uranifère au Québec

6211-08-012

NOV 5th, 2014

From George River Cooprative Association

The Board of Directors of the Coop are not agreeing to pursue with Urianium mining. The reasons are; we don't want to damage our land and we want to protect our animals. Also, we want our generation to have an unaffected land and animals.

Thank you
