Mr. Pierre-Louis Lafleur

COURRIER RECOMMANDÉ

Re : Environmental management committee

Bonjour Monsieur Lafleur,

The Environmental management committee has been referred to a number of times in the impact studies on the Danford Lake LET released by Le Ministère de l'Environnement et du développement durable on February 6th, 2007.

As I did not get a reply to my letter of May 15, 2006 and in order to better understand the role of the EMC and its mandate in the community of Danford Lake, I would like to request a second time a copy of the following :

- The mission statement of the EMC
- The names of the board members and their positions on the EMC
- Copies of the minutes of all the meetings to date

I look forward to receiving this information in the near future,

Yours truly,

Denise Larocque-Renaud
