QUESTION/ENGAGEMENT

1. Liste des accidents impliquant un méthanier
2. Liste des accidents sur le Saint-Laurent – Données du BST

RÉPONSE

3. La liste des accidents impliquant un méthanier est disponible dans l'étude d'impact dans la section suivante :

Tome 3 – Terminal méthanier

Volume 2 – Annexes

Annexes F-2 : Analyse des risques technologiques domaine maritime

Annexe 3 : Incidents survenus sur des méthaniers dans le monde entier 1964 à 2004

4. De la base de données du BST, les données d'accidents ont été extraites, sur le Saint-Laurent entre le pont de Québec et la pointe des Monts. La base de données couvre les accidents de 1975 à 2005.
