SUBJECT : *Carleton Wind Power Project*

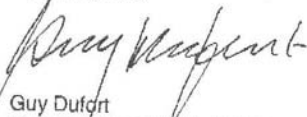

Dear Mr. Martin;

On behalf of Carier Wind Power, I would like to request a meeting with you to present to you the Carleton Wind Power Project. The project is proposed to be 109.5 MW of installed capacity with a total of 73 wind turbines in the vicinity of the Town of Carleton-Saint-Omer.

Carier is committed to ongoing consultation throughout the development of the project. It is important for us to understand your comments and concerns as well as those of the community you represent.

I look forward to hearing from you with a preferred time and location for a meeting as well as any other representatives you feel should be invited to the meeting.

Best Regards,

Guy Dufort
Vice President Public Relations.
