

ANNEXE 3

Résultats des simulations relatives à la propagation de la marée

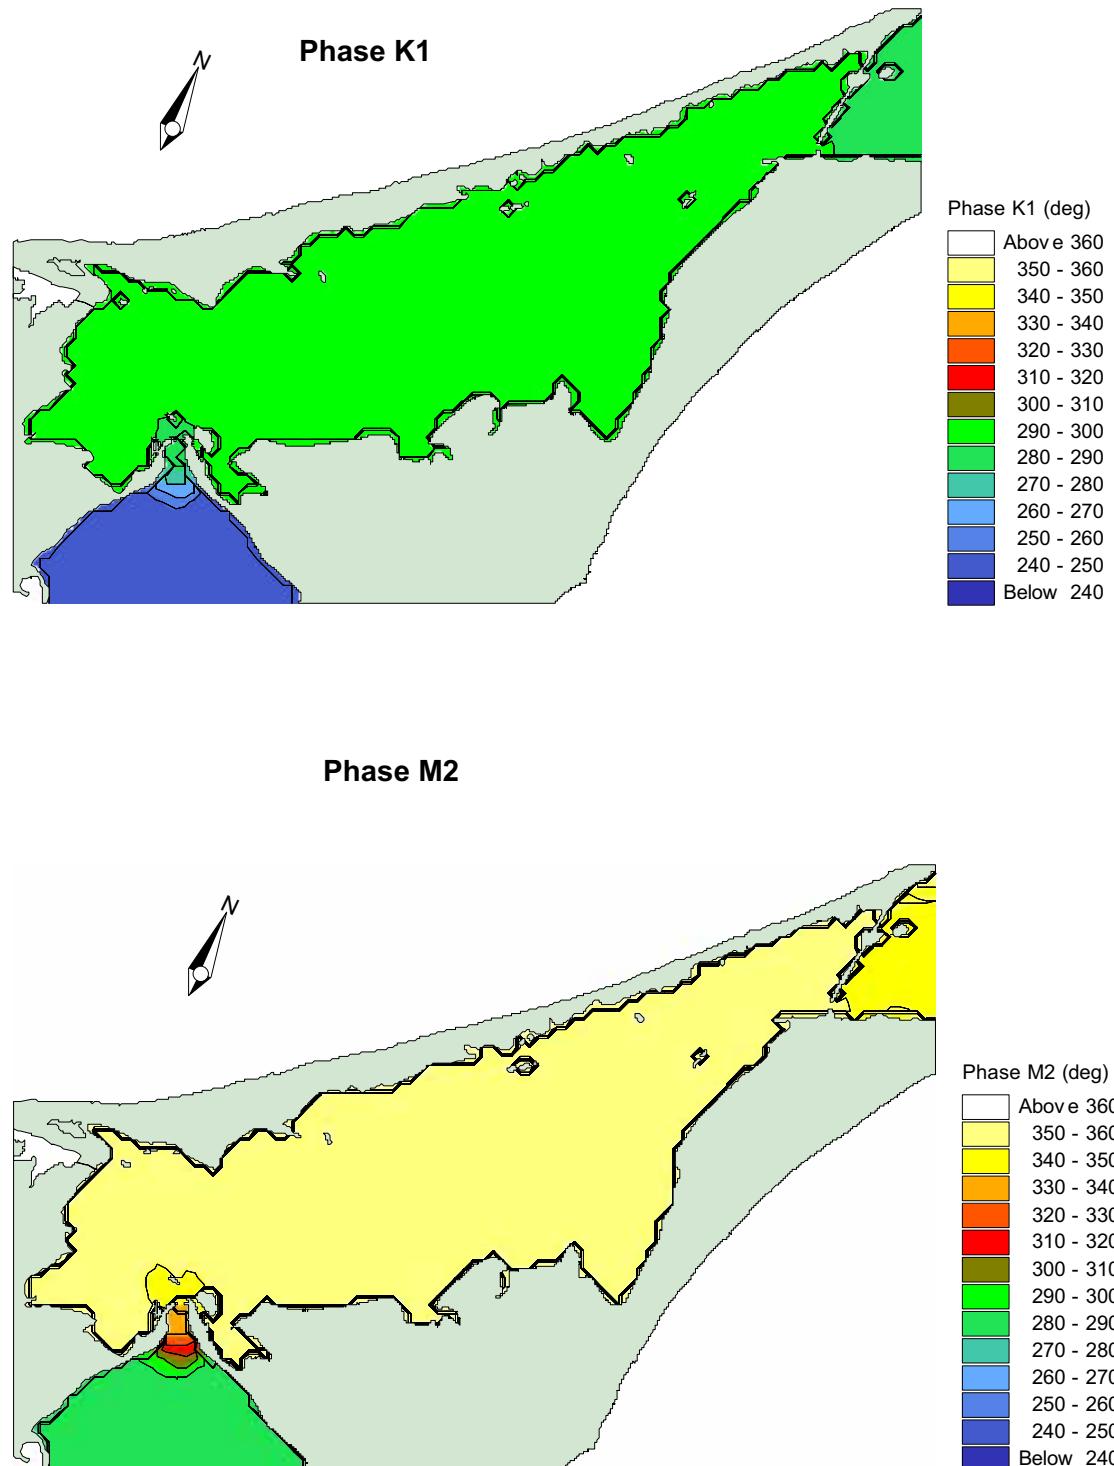

Amplitude K1

Amplitude M2

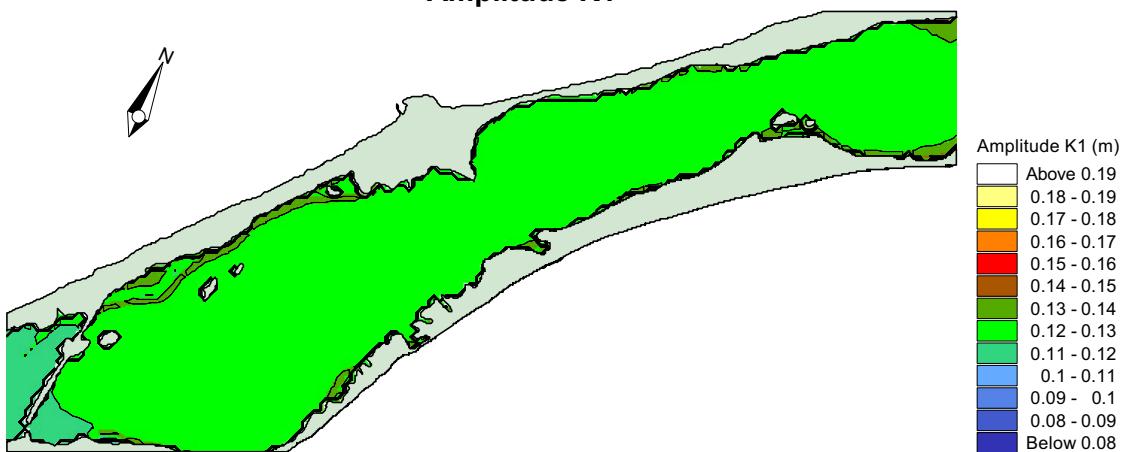

Annexe 3.1 Amplitude des composantes harmoniques diurne (K1) et semi-diurne (M2) dans la lagune du Havre aux Maisons.

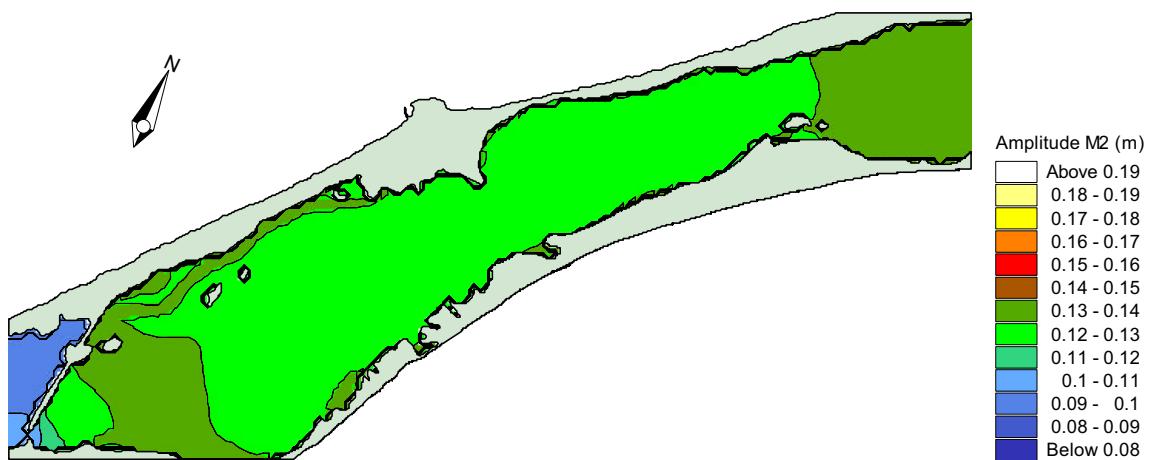

Annexe 3.2 Phase des composantes harmoniques diurne (K1) et semi-diurne (M2) dans la lagune du Havre aux Maisons.

Amplitude K1

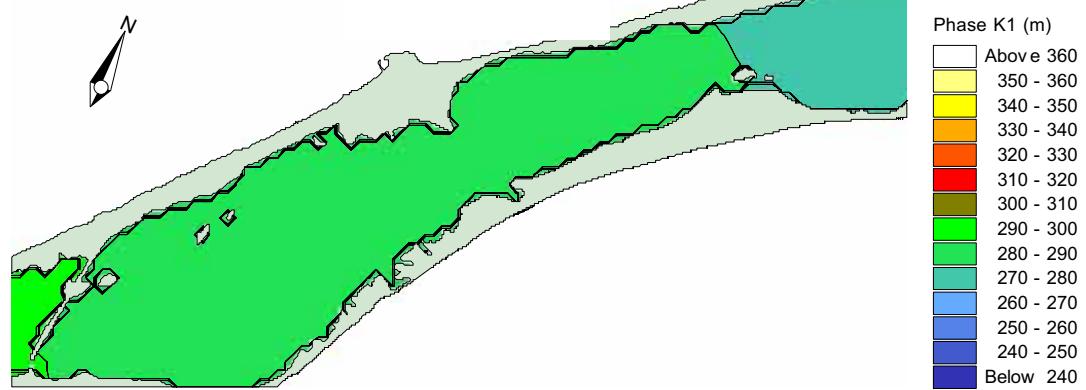

Amplitude M2

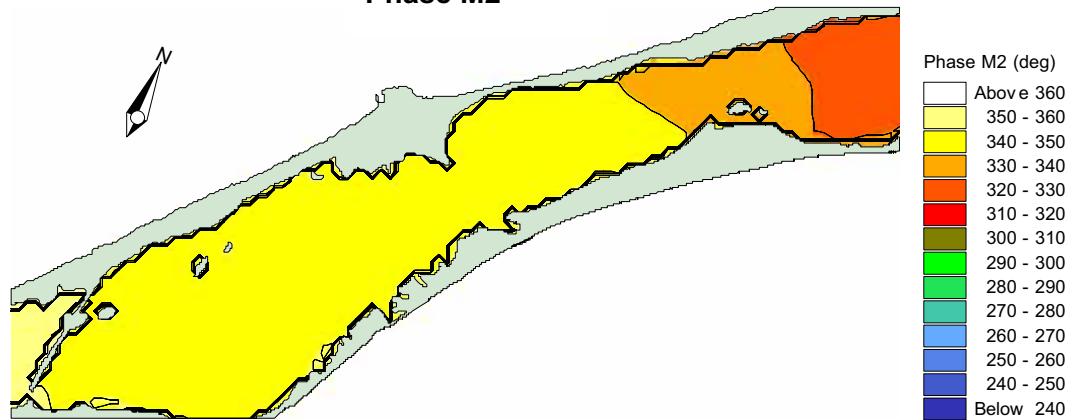

Annexe 3.3 Amplitude des composantes harmoniques diurne (K1) et semi-diurne (M2) dans la lagune de la Grande Entrée.

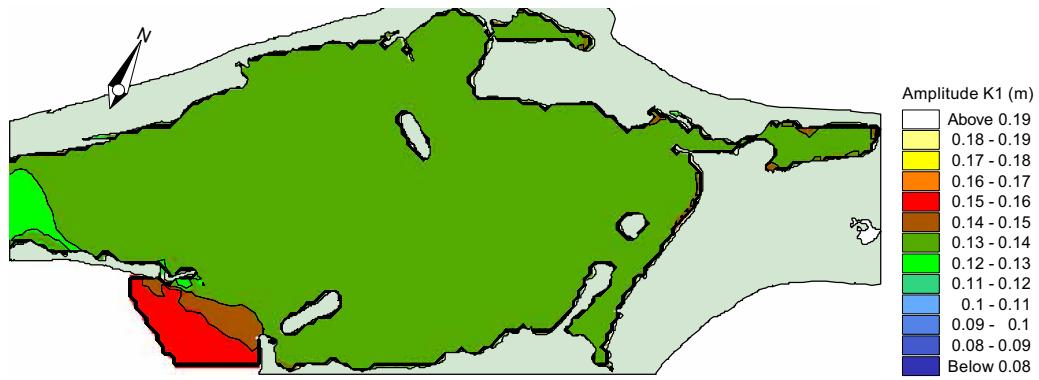

Phase K1

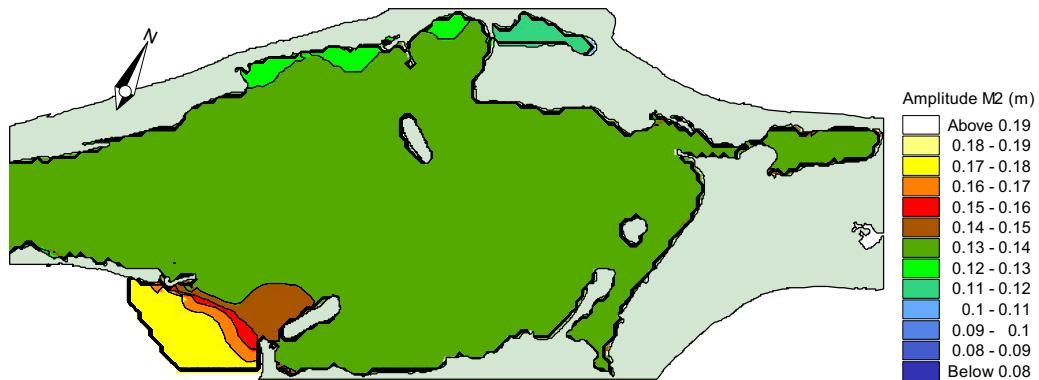

Phase M2

Amplitude K1

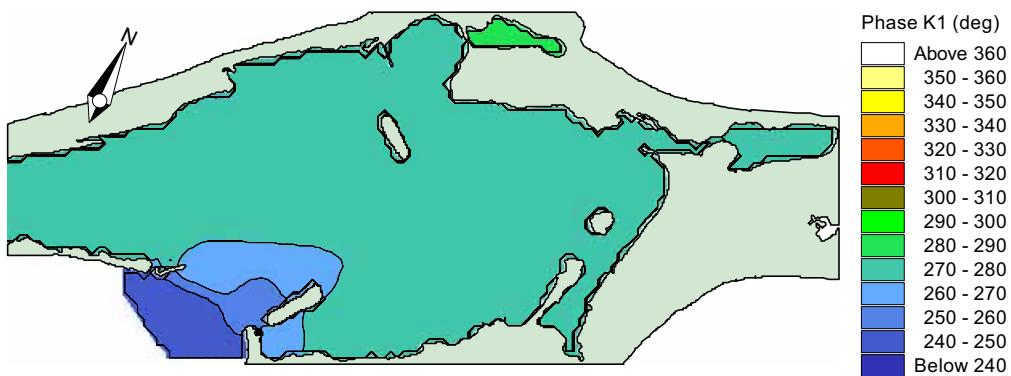

Amplitude M2

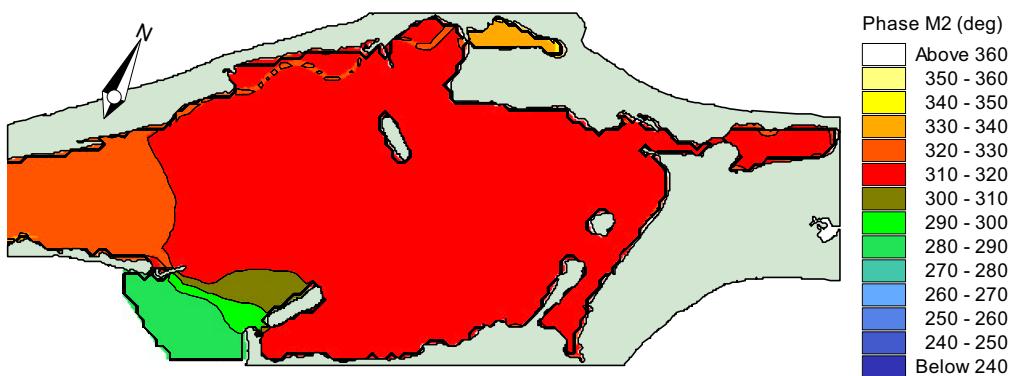

Annexe 3.5 Amplitude des composantes harmoniques diurne (K1) et semi-diurne (M2) dans la lagune du Havre de la Grande Entrée.

Phase K1

Phase M2

Annexe 3.6 Phase des composantes harmoniques diurne (K1) et semi-diurne (M2) dans la lagune du Havre de la Grande Entrée.
