Hello Mr. Desjardins,

I would just like to say that as a user of the ferry services, I am very anxious for the season to begin. I was disappointed when you told me it would be another couple of weeks before that happens as I find it to me a much safer way to travel instead of driving around from Vaudreuil to Pointe Calumet where I have family. The speed on the "13" is rather nerve racking at times. The ferry is so much more pleasant.

I truly hope that you will be able to go ahead with your proposed project.

Keep up the good work - we need this service.
